DATA PROTECTION

Please read carefully and complete where appropriate

The club holds member contact details and other demographic information provided by members in order to provide, administer, and understand our Club membership. We keep this information on our server admin database and on our hosted email system. We do not hold any financial information on any member. The Club may also publish contact information relating to members on the clubhouse notice board e.g. social occasions, the Wimbledon draw, and the yearly Club Tournament. Some of this information is also held on the secure database accessed via the Club website.

Your name, email address, and contact numbers will be available to other members and coaches via the secure membership protected “**find a member**” section on our website. This allows members to contact each other to arrange matches and other Club activities. If you are a new member you will be prompted to give your consent on the first occasion that you access bookings or “find a member”. You can manage your preferences for “find a member” and bookings by accessing your preferences on our website (Go to the Bookings page. Above the bookings table go to ‘My Menu’ at the top left, scroll down to ‘My Consents’, this will bring you to the consent list where you can make and save changes).

We use e-mail communications to keep members informed of issues relating to their membership provision. It is possible to request to be removed from the club email list, but members are advised that by doing this they will not receive any club emails including service updates about court availability.

PARENTS & GUARDIANS CONSENT FOR U18's

Taking part in general activities of the club, my child has agreed to follow the junior rules of the club. To my knowledge, he/she has no special care needs, dietary requirements, allergies or medical conditions that could affect his/her safety at the club, other than those declared on this form. I note that any information concerning any basic health or conditions will only be made available to appropriate officers of the Club and will not be shared with anybody else without my permission. I understand that in the event of any injury, illness, or other medical need, all reasonable steps will be taken to contact me and to deal with the situation appropriately.

The club only provides supervision during organised activity sessions, e.g. coached sessions. I understand that the club's responsibility commences at the time my child's organised activity begins, and ceases at the time my child's organised activity stops. I am aware that it is my responsibility to arrive on time for both delivering and collecting my child from club activities.

Please tick this box if you consent to your son or daughter participating in Club activities

We occasionally use photographic images of tennis Club activities, including participants for promotional and reporting purposes. Such images are carefully vetted before use.

Please tick this box if you consent to the use of photographs

I have read and fully understand the information contained in this form and have provided any additional information that I consider relevant. I undertake to immediately inform the Club in writing of any changes to the information provided.
